

10 MAY 1977

MEMORANDUM FOR: Mr. Hugh Carter

SUBJECT: Request for Secure Phone Service

1. It is requested that the White House Communications Agency be authorized to install secure voice telephones to serve the DCI's office (Rooms 345, 346 and 347) in the Executive Office Building.

2. Since there is an immediate need for a secure phone capability, it would be appreciated if this request could be accomplished as soon as possible.
